How can we work together to create a strong and connected community?

The Big Table is a day of community building designed to bolster understanding in these challenging times. We hope The Big Table generates open, thoughtful conversations that will spark new relationships and new ways of working together by deepening our understanding of each other and what the community needs. Emphasis is not on finding immediate solutions, but rather on creating authentic human connection and civic engagement through conversation. Presented by The Columbus Foundation, hundreds of conversations will take place on Aug. 29—be part of the movement, by joining us at Central Community House!
