The course will be taught by Susan Colbert, Community Development Program Director for OSU Extension. Susan has over 20 years of experience in community and economic development. She utilizes an asset-based approach, which focuses on the resources and strengths of the neighborhood rather than the needs and deficiencies of the area. Susan was a recipient of the 2014 Ohio State University Distinguished Staff Award. She was also recognized in Who's Who in Black Columbus in November 2015, and was named the recipient of the Raymond A. Schindler Excellence in Community Development Extension Award for 2018.
